

**We were given the devastating news just before Christmas 2014, that Henry has a malignant grade 4 Glioblastoma Multiforme Brain Tumour.**

We, as family, are searching everywhere for advice, possible surgery, clinical trials and alternative medicines.

We have been advised by both Southampton and Poole Hospital that it is inoperable, and he will be given radiotherapy and chemotherapy to prolong his life. We are in desperate search for second opinions and advice.

At the moment we are hoping to raise enough money to buy an oxygen therapy machine, which has been shown to be extremely valuable in fighting cancer; we are also hoping to raise enough money to finance the cost of medical treatment abroad which has been shown to have a far higher success rate in treating Glioblastoma Multiforme.

At present, Henry is a student at Bournemouth & Poole College studying a BTEC in Music.

If you would like to do any fundraising events to help Henry, then please email us at [contact@support4henry.co.uk](mailto:contact@support4henry.co.uk) or use the Contact form and we will contact you.

We would also be happy to hear from anyone with any treatments that they feel will assist in Henry's recovery.

Thank you.

Vicki, Jonathan, Henry, Charlotte and Oliver Searle

If you would like to donate, please pay into the account below:
